Cancellation & No Show

The Nebraska Unions have implemented a Cancellation Policy and No Show Policy for all groups reserving space. Failure to show for a meeting or event, hold rooms that are not used or cancel with short notice (see cancellation policy below) can create complications for the Nebraska Unions staff setting up rooms unnecessarily and also denies other groups the opportunity to utilize event rooms.

Cancellation - Single Meeting Rooms
Reservations involving a single room must be canceled by 12:00 p.m. the business day before the scheduled meeting. If the meeting or event falls on Sunday or Monday, the cancellation must be made by 12:00 p.m. on Friday. Failure to cancel a meeting will result in the charge of 50% of the non-university rate of the room. Cancellation notification must be done with the Reservations Office in person, by phone or by e-mail.

Cancellation - Multiple Meeting Rooms
Reservations that require multiple rooms on the same date or multiple days must be canceled by 12:00 p.m., ten (10) business days prior to the event date. The entire reservation, or any rooms that will not be utilized, must be canceled ten (10) business days prior to the event date to avoid penalty. Failure to cancel any unneeded rooms, or the entire reservation, will result in the charge of 50% of the non-university rate for canceled/unused room. Cancellation notification must be done with the Reservations Office in person, by phone or by e-mail.

No Show
Groups failing to show up or use all spaces for reservations with multiple spaces will be assessed a charge of 50% of the non-university rate for each room.

RAIN DATE POLICY
In the case of inclement weather, event spaces at the Nebraska Union may be reserved as rain site location for outdoor events, if space allows. Failure to cancel any unneeded rooms by 12:00 p.m. the business day before the scheduled meeting will result in the charge of 50% of the non-university rate for canceled/unused room. Cancellation notification must be done with the Reservations Office in person, by phone or by e-mail.

Interruption or Termination of Event
Nebraska Unions administration reserves the right to cancel, interrupt, or terminate any event in the interest of weather related emergency, public safety, noncompliance with University of Nebraska–Lincoln policies, or if the event can be viewed as inappropriate or not consistent with the mission of the Nebraska Unions.

Inclement Weather
If the University of Nebraska-Lincoln is closed, all Nebraska Unions buildings will be closed and all events scheduled in the Nebraska Unions will be canceled. Please refer to the University of Nebraska-Lincoln’s home page for re-opening information.

An additional $50 per hour fee will be assessed for any hours beyond the initial five hours. Special Openings are for onetime events and not for reoccurring events. Request for a special openings need to be made a minimum of two weeks prior to the event date.

Extended Building Hours
If an event requires the building to be open earlier or later than the regular building hours, a $50 per hour charge will be assessed with the building not opening before 6:00 a.m. or closing later than 2:00 a.m. Extended building hours are for onetime events and not for reoccurring events. If clean up still needs to be completed, and the room is available the next day, the group will need to complete the cleanup the next day. Cleanup occurring the following day will incur the charge of the non-university rate for the room. If the group is unable to come in the next day and Nebraska Unions’ staff has to complete the cleaning there will be a charge of $25 per hour with a minimum of $50.

Animal Policy

The Nebraska Unions follows the University of Nebraska-Lincoln’s policy for animals and does not allow any animals but Service Animals in the Nebraska Unions. (http://www.unl.edu/equity/policy-use-service-animals)

Definition of Service Animal

The ADA defines a Service Animal as “any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability.” Importantly, other species of animals, whether wild or domestic, trained or untrained, are not Service Animals for the purposes of the ADA. However, under certain conditions, UNL will make reasonable modifications for a miniature horse that has been individually trained to do work or perform tasks for the benefit of the individual with a disability.

When assessing whether a dog is a Service Animal individually trained to do work or perform tasks for the benefit of an individual with a disability, the dog must be trained to do work or perform tasks that are directly related to the individual’s disability. Examples of work or tasks include, but are not limited to, the following:

- assisting individuals who are blind or have low vision with navigation and other tasks;
- alerting individuals who are deaf or hard of hearing to the presence of people or sounds;
- providing non-violent protection or rescue work;
- pulling a wheelchair;
- assisting an individual during a seizure;
- alerting individuals to the presence of allergens;
- retrieving items such as medicine or the telephone;
- providing physical support and assistance with balance and stability to individuals with mobility disabilities; and
- assisting persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors. The crime deterrent effects of a dog’s presence and the provision of emotional support, well-being, comfort, or companionship do not constitute work or tasks for purposes of determining if a dog is a Service Animal under this policy.

For any event outside the Nebraska Unions like the Plaza, the Unions follows the University of Nebraska-Lincoln’s Pet Policy (http://bf.unl.edu/policies/pets). For some events, waivers may be required by the office of Risk Management or may be denied.
University Departments/Organizations, Recognized Student Organizations, and Affiliate Groups, may reserve outdoor spaces on both City and East Campus.

- All reservations need to be made, with finalized event details, at least ten business days prior to the event date.
- Non-University Groups will be required to co-sponsor with a UNL Department or Recognized Student Organization and pay any deposits and provide a certificate of insurance.
- Depending on the event, waivers from participants may be required.
- Outside events may be scheduled as early as 6:00 am and must be completed by midnight.
- A noise variance will be required for events with amplified sound scheduled past 10:00 p.m.
- All reservations will be dependent on the weather. If UNL Landscape Services determines the outdoor space is too wet, snowy, etc. to withstand being damaged by the event, the event will be cancelled. A decision will be made as early as possible but since weather can be unpredictable, the decision may not be able to be made until the day of the event. The Nebraska Unions Reservations office will provide as much communication to the event contact as possible. An alternative location or date should be planned.
- In the event of cancellation, if equipment has already been setup and/or rented such as generators, the group will be responsible for the fees associated with the equipment.
- Any athletic events such as bubble soccer, human foosball, touch football, etc. will not be allowed on outdoor space. These reservations will need to be made through Campus Recreation to be played on the appropriate field surfaces. Contact Campus Recreation, 402-472-3467 for athletic events.
- Runs and walks are limited to specific set routes on both City and East Campus. Runs and walks can only be held on Saturdays or Sundays from 6:00 am – 5:00 pm.
- Proper Care needs to be taken to protect the landscape turf, plantings, and related facilities.
- If there is any damage beyond normal wear and tear to the site, the group will be charged for the cost of repairing or replacing the damage. This will be determined by UNL Landscape Services.
- The use of nails, staples, adhesive, tying, etc. to attach objects to the wooden structures, buildings, trees, poles, etc. are prohibited.
- It is the reserving group’s responsibility to ensure the space they reserve is returned reasonably clean and as close as possible to the original condition they found it. If spaces are left unreasonably dirty, the group will be charged an excessive cleaning fee of $25 per hour with a $50 minimum charge.
- Trash containers, recycle containers, and picnic tables may be rented from UNL Landscape Services. Requests must be made no later than ten business days prior to the event.
- Some events may require trash containers and/or recycle containers. It is the responsibility of the group to pay for the containers.
- Tables and chairs require prior approval at all Outdoor Space. Once approved, rental of tables and chairs must be made by the group through an outside rental company.
- All vehicles must be parked in designated areas and are never allowed on the grass. If you are having anything delivered, the vehicle will need to remain on streets and the delivery carried to the outdoor space. Parking arrangements may be made through Parking & Transit Services, 402-472-1800.
- If the event requires electricity, electrical needs will be requested no later than ten business days prior.
- Any beverages will need to comply with the University of Nebraska-Lincoln contract with Pepsi.
- Please note the University of Nebraska-Lincoln campus is public so there is no guarantee that you will be the only individual/group utilizing the area.
- Please see the Outdoor Space Fee chart for cost associate with renting outdoor space.
