

Yesterday was the last scheduled construction meeting. Here are the updates and upcoming items:

- Husker Bowling Center is complete and the team began practicing in the space last week. [Link to Reveal](#)
- We anticipate opening the Husker Bowling Center for open bowling beginning on Tuesday, October 19.
- Welcome Desk is wrapping technology installation and is staffed.
- 3<sup>rd</sup> floor lounge is open. Power back to the furniture is in the works.
- Arbor and Prairie Suites are wrapping up loose ends with A/V install and will be ready for reservations shortly.
- Bluestem Room and Legacy A&B are also wrapping up final touches (furniture and A/V) and will also be ready for reservations shortly.
- Convenience Store is near complete and final touches and move-in are likely later this month.
- Loading Dock safety rails are now installed.
- Exterior landscaping work will wrap up over the next two weeks with irrigation installation, infill in the planting beds, and laying sod.
